

COMMUNITY CREATIONS:

Inspiring Local Artistry

Submission Form & Guidelines

The **COMMUNITY CREATIONS** show is a celebration of individual creativity and accomplishment in the visual arts. Old Town Artisan Studios invites and encourages all community artists to participate.

This year, we are selecting work by application only. We ask that you do not drop off your work unless selected. Each person may submit up to two (2) pieces for consideration. The two artworks must be available for purchase. Upon acceptance, artwork must be installation-ready and come with any necessary hanging attachments or it will be returned to the individual. Sculptures and three-dimensional works should be measured by height, width, and length. Two-dimensional work, such as paintings, are measured by height first, and are then followed by width. Digital media will also be accepted, but will not be for sale and must not exceed longer than 5 minutes. **Please note that artists will receive 50% of the selling price and Old Town Artisan Studios will receive 50%, which will go towards their outreach art programs.**

Unsold work must be collected by the artist after the end of the show.
