

OTAS STUDENT ART SHOW 2025

Submission Form & Guidelines

The OTAS Art Student Art Show is an art show and celebration of individual creativity and accomplishment in the visual arts. Old Town Artisan Studios invites and encourages students in **intermediate to advanced classes or to participate. Students may currently be enrolled, or have been enrolled in the last 6 months.**

This year, we are selecting work by application only. We ask that you do not drop off your work unless selected. Each person may submit up to two (2) pieces for consideration. Only (1) will be selected due to space limitations. After being accepted, artwork must be installation-ready and come with any necessary hanging attachments or it will be returned to the individual. Sculptures and three-dimensional works should be measured by height, width, and length. Two-dimensional work, such as paintings, are measured by height first, and are then followed by width. **Please note that artists will receive 50% of the selling price and Old Town Artisan Studios will receive 50%, which will go towards their outreach art programs.**

Unsold work will be returned to the artist after the end of the show. OtAS is not responsible for any damage that may occur to the artwork during the show duration.
